Inside our framework

Procurement for Housing (PfH) have appointed experienced contractors to carry out consultancy, installation, servicing and maintenance works related to Building Safety and Compliance for PfH members in England, Wales and Northern Ireland and other public bodies permitted to use the framework. The framework is split into five headline lots with three of those being split again:

All contractors have confirmed that they meet the minimum standards of accreditation, registration, qualification as required by the services to be provided and identified as part of the PfH member engagement process.

All contractors hold appropriate qualifications accredited by the relevant Institute or association or equivalent standing in this field, as required for the delivery of the services. The contractors may be requested to provide evidence of membership during the term of the framework.

This framework relates to major refurbishment works, new buildings, general property defects, audit of existing facilities, specialist accommodation, high rise dwellings, low rise flats and houses and other assets under the responsibility of the PfH member.

Who can access this framework

This framework is available for use nationally by any contracting authority within the United Kingdom.

How we manage your contract

Our team is on hand to support you throughout the procurement process either acting as an extension of your internal procurement process or as a fully outsourced solution dependent upon your requirements; providing hands on category expertise and support to aid the delivery of an optimal contract environment.

We will manage the tender process with you right through to contract award to ensure you get the

most competitive pricing and best service delivery from our suppliers based on your specific needs.

Our bespoke platform and data rich environment enables us to interrogate contracts to give you to tools to drive value through the life of the agreement, tackle non-compliance, undertake trend analysis and standardise product ranges to improve the bottom line.

Why use this framework

Access to qualified, accredited and experienced compliance contractors and suppliers.

Access to both National and Regional suppliers.

Quality led framework developed with support from leading industry experts.

Advice and support on all aspects of compliance.

Advice on and development of systems, design, installation, and servicing

The framework tender and evaluation process

PfH received 166 expressions of interest with 70 bids received by the tender deadline. All submissions were checked for material completeness and screened to ensure that all mandatory requirements were met by the bidding suppliers, prior to the tender evaluation being undertaken.

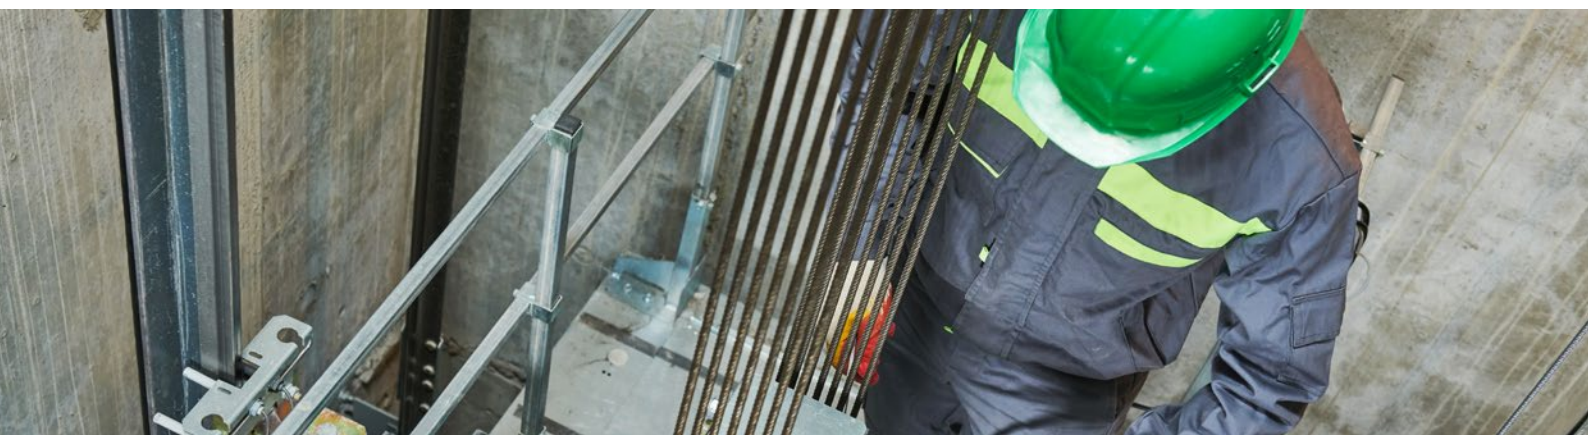

The evaluation of this framework addressed key criteria, including account management, social impact, and supply chain management. Additionally, lot specific quality questions were applied addressing service delivery and engagement, health & safety, environmental impact and project management.

The documents were advertised via the Find a Tender service (FTS) as an open procedure. The contract notice was issued on 12 May 2023. All lots were evaluated on a 70/30 qualitative/commercial split, with a minimum quality threshold of 50% set across all lots.

Unlocking even more value!

Additional products and services to stretch your spend even further

We recognise that every organisation we work with is unique, and we fully understand that this requires tailored advice and services. That's why we offer a range of consultancy services, compliant Framework and Dynamic Purchasing Systems (DPS) solutions and our Quantum platform for more control, visibility and insight to ensure you have everything you need in one place.

Consultancy Services

Our comprehensive range of Consultancy Services is designed to transform your procurement processes and drive value for your organisation. Our services include everything from Tender Management, Spend and Cost Insights, and Supply Chain Optimisation to Procurement Maturity Assessment, Toolkits and Training, as well as Procurement Reform Readiness Assessment. We tailor our approach to meet the unique needs of each customer, ensuring alignment with organisational objectives, improved operational efficiency, and enhanced value creation.

Compliance Solutions DPS

Our DPS for Compliance Works delivers the support you need to stay safe and compliant in today's complex regulatory environment. This solution offers flexibility and adaptability, ensuring that it fits seamlessly into your local industrial strategy and provides opportunities for local employment and social value. Fully compliant with OJEU and the Public Contracts Regulations 2015, we handle all the hard work, including supplier due diligence and selection. Our unique service model offers comprehensive support from designing the solution and call-off, right through to award and ongoing contract management. This customised approach provides the freedom to use your own pricing mechanisms, social value requirements, and preferred form of contract, giving you an extra layer of reassurance.

Fire Safety Works Framework

Our Fire Safety Works Framework is designed to ensure the highest standards of fire safety across various properties. This framework offers a comprehensive range of vetted suppliers capable of undertaking diverse fire safety works and services, including installation, servicing, and maintenance. By prioritising quality and compliance, we provide a robust solution that helps organisations meet regulatory requirements and enhance the safety of their properties. The framework supports local employment and social value, ensuring that fire safety measures are not only effective but also contribute positively to the community.

Quantum

A single platform that manages your spend and supplier relationships, providing control, transparency, and actionable insight to capture value through the lifetime of all your contracts. With PfH's innovative cloud-based Quantum technology, your finance, procurement, and operational teams can combat value leakage with enhanced transparency and visibility across your entire contracts. Together, we keep your organisation one step ahead.

Introducing Procurement for Housing

Procurement for Housing (PfH) is a premier purchasing consortium that welcomes all UK Housing Associations, ALMOs, Local Authorities, and other public bodies. As a Contracting Authority under the UK's public procurement regulations, PfH is one of the largest goods and services consortia in the UK, managing an impressive annual spend of over £0.4 billion and serving a robust membership of 1,100.

Our services include procurement consultancy, compliant solutions such as frameworks and Dynamic Purchasing Systems (DPS), and procurement technology and analytics through our Quantum platform.

What our clients say

“

Bespoke procurement advice

Their services extend beyond the ability to get quick and easy access to contractors. They offer procurement advice, peer review and many other benefits whilst meeting all procurement guidelines. I would recommend joining the framework, they will provide your business with bespoke procurement advice around your business needs.

Graham McDowall,
Project Manager,
Ng Homes

“

Quantum has been a great help

With regards the Data and Insight Portal, [Quantum], since we have had access to this tool it has been a great help in seeing the day-to-day accounts we run through PfH. It is particularly helpful to see where our spend is going and helps us with identifying products which we are using more direct with the member merchants and can look to move into our core stock.

Mark Davies,
Supply Chain Manager,
Incommunities

“

Excellent industry knowledge

The staff are incredibly responsive to requests and provide excellent industry wide over-sight and knowledge to enable us to make the right decisions, ensuring we are always providing a high quality, value for money service.

Steve Preston,
Head of Operations APS,
Leeds Federated Housing

“

Hands-on support

We always find them to be very helpful and knowledgeable and have lots of relevant frameworks for us to access. They are a very helpful resource; we find them to be very hands on and nothing is too much trouble.

Carmen Young,
Procurement Officer,
Bromsgrove District Council
